Dear Harold,

Thank you for your letter of June 18, 1974. I look forward to receiving the material soon. I don't like the suggested subtitle NIXON V NIXON. In preparing the material I would like you to go well beyond the tapes to his speeches and his book SIX CRISISES. I have made no attempts to place the work for distribution and can't do so until I have some material. Timeliness is very important.

Good luck on your other matters. I look forward to hearing from you.

Best,

Dick
